From: "evilevilcouch@gmail.com" <evilevilcouch@gmail.com>

To: barriticus@gmail.com

me: because I haven't had a cat in a while and I love them

me: but not now, will be moving soon so should wait till NYC

evilevilcouch@gmail.com: k

evilevilcouch@gmail.com: yay minou can have a kitty friend! :)

me: well, hopefully Minou will like other kitties

evilevilcouch@gmail.com: minou does!!

me: good

evilevilcouch@gmail.com: minou <3s other kitties

evilevilcouch@gmail.com: she likes having a kitty friend

me: she needs to have another kitty then

evilevilcouch@gmail.com: and gets sad when her kitty friends move

me: it improves their quality of life

evilevilcouch@gmail.com: it does!!!

evilevilcouch@gmail.com: :)

me: do you think Mirna is attractive?

evilevilcouch@gmail.com: yeah she's pretty

me: good

evilevilcouch@gmail.com: lol why?

me: she owes me sexual favors due to an agreement we made years ago whereby if I got famous I got to do whatever I wanted to her

me: and I want you to fuck around with her when we go to Austin

me: and she's agreed

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: i don't like being forced into those scenarios

me: you're not forced

evilevilcouch@gmail.com: i know

evilevilcouch@gmail.com: but

me: I just wanted to see if you'd be interested

evilevilcouch@gmail.com: being told what to do turns me off

me: and cut to the chase and all that

me: I'm not telling you what to do

evilevilcouch@gmail.com: yeah, i know

me: you have that option

evilevilcouch@gmail.com: kk

me: we'll think about it

evilevilcouch@gmail.com: i'll consider it

me: but, yeah, I want to see you with another girl and she's convenient and you'll like her

anyway

me: also she's my lawyer lol

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: well

me: and I want my life to be as wacky as possible

me: so

evilevilcouch@gmail.com: i'd prob rather not do it with her then

evilevilcouch@gmail.com: because

evilevilcouch@gmail.com: i would rather objectify the other person

me: YOU SHOULD HUMP MY LAWYER

evilevilcouch@gmail.com: and she doesn't seem like a sub

me: you can do that

evilevilcouch@gmail.com: she prob wouldn't like it

me: you have to be dominant?

me: are you sure?

me: how experienced are you in lesbian sexuality?

me: she's good, sweetheart

evilevilcouch@gmail.com: hold on

me: she and my friend Liz used to seduce all the girls your age back at Hockaday and Ursuline

evilevilcouch@gmail.com: k clientdude left

evilevilcouch@gmail.com: i am not seduced by females

evilevilcouch@gmail.com: i seduce them

evilevilcouch@gmail.com: or they swoon for me

me: well, this should be interesting then

evilevilcouch@gmail.com: and are taken aback by me

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: in that

evilevilcouch@gmail.com: it prob won't happen

evilevilcouch@gmail.com: lol

me: because Mirna is a charismatic girl

me: we'll see

me: it will be exciting anyway

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: if there's anything to know about me

me: just to see what happens

evilevilcouch@gmail.com: is that i can't be forced into anything

me: no shit you can't

evilevilcouch@gmail.com: so

evilevilcouch@gmail.com: don't

me: I'm simply making a request/suggestion

2 of 19 **evilevilcouch@gmail.com:** try to force it to happen

evilevilcouch@gmail.com: the more you egg it on the more it turns me off

evilevilcouch@gmail.com: you're doing it the wrong way

me: rather than secretly trying to make it happen

evilevilcouch@gmail.com: that would be silly as well

me: well, in my experience, openness is the way to proceed, but if you prefer another method I'll respect that

evilevilcouch@gmail.com: you can make suggestions

me: Thank you

evilevilcouch@gmail.com: and say things like "i think it would be hot if you and mirna did it"

evilevilcouch@gmail.com: and i'd prob be all "o cewl bro"

me: well, that's what I meant to convey

evilevilcouch@gmail.com: lol

me: read what I wrote you

me: I asked you if you think she's attractive

evilevilcouch@gmail.com: it isn't that, dude

me: then told you I wanted her to do something with you

me: basically, I'm telling her what to do, not you

evilevilcouch@gmail.com: yeah

me: but that's because I've earned it with her

evilevilcouch@gmail.com: but that idea never popped up in my head initially

me: I haven't earned the right to tell you to do anything

me: of course not, you barely know her

me: I wanted to suggest that idea to you

me: I'm not a bad guy, okay?

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: i know

me: I don't tell girls what to do

evilevilcouch@gmail.com: :-p

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: barrett

me: lol wut

evilevilcouch@gmail.com: that wasn't what i was trying to say

me: I know

evilevilcouch@gmail.com: it's sorta like with my friend darryl

evilevilcouch@gmail.com: he knows how i work

me: I just wanted to start the inquiry

evilevilcouch@gmail.com: like, for example, if he wants me to get drinks with him

evilevilcouch@gmail.com: he tells me to arrive 3-4 hours than when he wants me to get there

evilevilcouch@gmail.com: so i get there on time

evilevilcouch@gmail.com: but, that's specifically with him

me: gotcha

me: think I understand

evilevilcouch@gmail.com: cause he likes to get drinks either super early or like early evening

evilevilcouch@gmail.com: not normal bar time

evilevilcouch@gmail.com: and like

evilevilcouch@gmail.com: for this even thing he organized

evilevilcouch@gmail.com: i designed the flyer

evilevilcouch@gmail.com: but see

evilevilcouch@gmail.com: i decided to design the flyer because he said his friend matt was going to design it

evilevilcouch@gmail.com: and i was all "oh jesus christ you're all going to fucking do it wrong. i'll do it."

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: but when darryl asks favors of me

evilevilcouch@gmail.com: i always put it on lowest priority

evilevilcouch@gmail.com: because it's a favor and i put paying stuff over his stuff

evilevilcouch@gmail.com: also, darryl and i have a special relationship

evilevilcouch@gmail.com: hahaha

evilevilcouch@gmail.com: our conversations usually include this dialogue:

evilevilcouch@gmail.com: "fuck you, darryl"

evilevilcouch@gmail.com: "oh, nicole loehr. how i love you"

evilevilcouch@gmail.com: "EAT A DICK YOU FUCKING COCKASS BITCH"

evilevilcouch@gmail.com: "*kissies*"

evilevilcouch@gmail.com: "..."

evilevilcouch@gmail.com: ":D"

evilevilcouch@gmail.com: "...w/e"

evilevilcouch@gmail.com: ":D"

evilevilcouch@gmail.com: "*sigh* i love you too, darryl"

me: who is this guy again?

me: I remember the name

evilevilcouch@gmail.com: my friend darryl from hs

me: my mom accidentally threw away the loose weed on my desk

me: but she brought over an air purifier machine

evilevilcouch@gmail.com: he went to cistercian and was my only private school friend that also did visual art and wrote spoken word

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: why

me: so now our air is purified

evilevilcouch@gmail.com: did you tell her that i'm allergic to dust mites

me: she was cleaning and doesn't know

me: no

4 of 19 **me:** it's weird

me: actually it's not weird

me: she used to put a vaporizer in my room

evilevilcouch@gmail.com: how so?

me: it's just a coincidence, I haven't talked to her about you much because I'm trying to keep her at arm's length

evilevilcouch@gmail.com: lol

me: I just told her your work background, etc

evilevilcouch@gmail.com: ah, interesting

evilevilcouch@gmail.com: like what?

me: DMA grant, Observer, other freelance work

me: she's a freelancer herself so she knows about these things

evilevilcouch@gmail.com: oh

evilevilcouch@gmail.com: what things

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: <3

evilevilcouch@gmail.com: btw

me: just freelancing, etc

evilevilcouch@gmail.com: when i may say things about how you may taking the wrong approach to convincing me to do something or whatever (as an example)

evilevilcouch@gmail.com: or just any other sorta or rhetorical device

evilevilcouch@gmail.com: within conversation with me

evilevilcouch@gmail.com: it isn't saying like

evilevilcouch@gmail.com: you're doing it "wrong"

evilevilcouch@gmail.com: (even though i may say that)

evilevilcouch@gmail.com: but i'm just quirky about certain things

evilevilcouch@gmail.com: is all

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: i think it's more inherent to my individual quirks than anything

me: I understand, sweetheart

evilevilcouch@gmail.com: but that sorta thing happens with time

me: every girl differs

me: and you differ more than most

evilevilcouch@gmail.com: so it's not like i expect you to just immediately pick up on it

evilevilcouch@gmail.com: so don't get super frustrated about it if/when it happens

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: like, sometimes certain things may super "piss me off"

evilevilcouch@gmail.com: but it's really arbitrary in the grand scheme of things

evilevilcouch@gmail.com: like

evilevilcouch@gmail.com: darryl makes me curse like a fucking sailor

evilevilcouch@gmail.com: but he's one of my favorite people

evilevilcouch@gmail.com: hahaha

5 of 19 **evilevilcouch@gmail.com:** and he considers me one of his bffs

me: very good

evilevilcouch@gmail.com: hrm

evilevilcouch@gmail.com: we should hang out with more peoples

evilevilcouch@gmail.com: not like

evilevilcouch@gmail.com: we're being too isolated or whatever

evilevilcouch@gmail.com: but so you can get a better idea of me/my personality/how i normally react and interact with people and how i interact differently with the different types of people out there

evilevilcouch@gmail.com: and the same with yous

evilevilcouch@gmail.com: :D

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: k yous at home?

evilevilcouch@gmail.com: want me to spend the night?

me: yes

evilevilcouch@gmail.com: i don't care either way, but my shoulder hurts and i like your bed lol

me: Mirna: i want to help you on the screenwriting AND i want a part or i will hate you forever

of course i have helped lots of people with scriptytypethings

evilevilcouch@gmail.com: like srsly i sleep better

me: me: Sweetheart, I'm giving you a part because I'm going to capitalize on your charm

evilevilcouch@gmail.com: lol, oh?

me: Mirna: i helped tyler with his treatments too

but he was stubborn and didnt give me much to work with

oh so now i can't make threats?

evilevilcouch@gmail.com: hahaa

me: me: no shit he was

Mirna: I'M LEBANESE

its what we do

dammit

dammit barrett

KING OF KINGS

evilevilcouch@gmail.com: lololol

me: me: hey, what party runs Lebanon right now?

Oh, right

I forgot

ANARCHY

LOL ANARCHY

evilevilcouch@gmail.com: hahahahaha

evilevilcouch@gmail.com: btw, one thing that all my friends know

evilevilcouch@gmail.com: is that no one can be a cunt or try and be intimidating with me in

evilevilcouch@gmail.com: yelling, being stupid stern, etc just makes me shut off

me: well, hopefully I don't do that

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: i mean, like, lol

evilevilcouch@gmail.com: i dunno

evilevilcouch@gmail.com: i listen pretty well

evilevilcouch@gmail.com: and am pretty calm and open about discussing things

evilevilcouch@gmail.com: but if anyone starts spouting off "you're wrong" "i'm right" bullshit i check out

evilevilcouch@gmail.com: basically

evilevilcouch@gmail.com: if anyone does anything my sister would do

evilevilcouch@gmail.com: i walk away from the discussion

evilevilcouch@gmail.com: or try to change the topic

evilevilcouch@gmail.com: she gets super indignant about shit

evilevilcouch@gmail.com: "me me me!!!"

evilevilcouch@gmail.com: etc

me: Okay, do I do that?

evilevilcouch@gmail.com: eh, it's not like you necessarily specifically do that

me: Because when two people disagree, both imply that they are right

me: that's the nature of the disagreement

evilevilcouch@gmail.com: there are certain rhetorical devices that are similar to those that she employs

evilevilcouch@gmail.com: um

evilevilcouch@gmail.com: well

evilevilcouch@gmail.com: there's a difference between a debate and a discussion

me: everything is similar to everything

evilevilcouch@gmail.com: i like learning new things

evilevilcouch@gmail.com: i'm very open to hearing things out

evilevilcouch@gmail.com: but also i usually explain things within certain terminology

me: Does anything I tell you really compare to what your terrible sister says?

evilevilcouch@gmail.com: and so you don't know exactly how i go about that yet, really

evilevilcouch@gmail.com: we're still getting to know each other

evilevilcouch@gmail.com: eh

evilevilcouch@gmail.com: you debate

me: Do you not debate?

evilevilcouch@gmail.com: not when it's about the relationship

evilevilcouch@gmail.com: debating has no place in that sort of discussion

evilevilcouch@gmail.com: love does not spit daggers

me: When I debate

me: for work

me: I do so in an effort to get to the truth

me: and to clarify

me: when you and I have these discussions

me: I am doing it for the same purpose

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: but

evilevilcouch@gmail.com: i think

me: I am not trying to "win"

me: in this case

evilevilcouch@gmail.com: the past two nights

evilevilcouch@gmail.com: you were super drunk

evilevilcouch@gmail.com: and i was super sober

me: because I know that's impossible

evilevilcouch@gmail.com: so i think that's really the main problem

evilevilcouch@gmail.com: lol

me: I wasn't super drunk last night

me: I wasn't drunk at all last night

me: until right before we went to bed and I drank scotch

me: even then I wasn't really drunk

evilevilcouch@gmail.com: well, last night was residual from the previous two nights

me: yes

evilevilcouch@gmail.com: i think

evilevilcouch@gmail.com: it's okay

evilevilcouch@gmail.com: if we leave it alone

evilevilcouch@gmail.com: because i think it's all about nothing

evilevilcouch@gmail.com: and last night

evilevilcouch@gmail.com: like

evilevilcouch@gmail.com: when you got super pissed and were going to leave

me: well, yeah. I'm fine with everything. I think you have objections, whereas I'm fine with you

evilevilcouch@gmail.com: i realized i'd be in that sort of a huff too

evilevilcouch@gmail.com: and then i was like

me: I appreciate that

evilevilcouch@gmail.com: wait...this is all so stupid. why are we doing this after only three weeks. we can't get to the answers because we don't really know each other yet. so. um. yeah. this is dumb.

me: yep

evilevilcouch@gmail.com: i do need more nikki time though

evilevilcouch@gmail.com: and minou time

me: we should be marathon fucking and jogging and playing games

me: yes, you do

me: that helps

evilevilcouch@gmail.com: yep

8 of 19 **evilevilcouch@gmail.com:** lol

evilevilcouch@gmail.com: i get really D: when i don't get minou or nikki time

me: we're going to get in fights if we're together 24/7

me: anyone would

evilevilcouch@gmail.com: yeah

me: and it doesn't help that I'm getting off the most powerful drug class in the world

evilevilcouch@gmail.com: like omfg

evilevilcouch@gmail.com: when i was in europe for two weeks with my friend judee

evilevilcouch@gmail.com: jesus we lasted like 4 days

me: I'm glad we've been together for all this time, though, despite the fights

evilevilcouch@gmail.com: maybe five

evilevilcouch@gmail.com: lol

me: right

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: 24/7 is just ridic for anyone

evilevilcouch@gmail.com: though

me: but even when we got in fights, when I realized that the only thing that upset me is you being mad at me, I realized that I can't just get mad and be stubborn and back off like usual because I love you

evilevilcouch@gmail.com: the fact that we've been together 24/7 so long and the tiffs didn't start till later is significant

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: :-p

evilevilcouch@gmail.com: :)

me: SMILEY FACE THING

evilevilcouch@gmail.com: teeheeheehohoho

me: SPINS AROUND FROM HORIZONTAL TO VERTICAL ETC

evilevilcouch@gmail.com: lol

me: ah, tee hee, I don't know!

evilevilcouch@gmail.com: i'm on adium

me: ^ _____ ^

evilevilcouch@gmail.com: :-p

me: ^ _____ ^

me: ^ _____ ^

evilevilcouch@gmail.com: yeah i usually get sick of someone after 48 hrs with them

me: no shit

evilevilcouch@gmail.com: lol

me: people are ridiculous

me: especially me

evilevilcouch@gmail.com: hahahahaha

evilevilcouch@gmail.com: yep

me: I mean, look at what I do all day

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: bscly

me: it's a combination of computer games and fucked up cyberwar shit

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: yep

me: and me narrating my every move

me: in a funny voice

evilevilcouch@gmail.com: lol

me: better get used to that, sweetheart

me: and telling you how great I am

evilevilcouch@gmail.com: i would normally wake up around 8ish, masturbate, shower, get dressed, cuddle minous, then go to the studio

evilevilcouch@gmail.com: then i'd prob be most productive during the morning

evilevilcouch@gmail.com: when noon or 1pm hits, i sorta hit this lull

evilevilcouch@gmail.com: and dick around online and don't get much done for the next 3-4 hours

evilevilcouch@gmail.com: or i may stay productive all day

me: well, that's part of the problem

evilevilcouch@gmail.com: then i'm useless in the early evening

me: you have to have your productive time to be happy

evilevilcouch@gmail.com: and around 10-11pm i get my second wind

me: I understand that entirely

evilevilcouch@gmail.com: sometimes i take a nap in the afternoon

me: we need to adapt to a schedule that allows us to do our thing and then be together

evilevilcouch@gmail.com: before i'd like wake up at 6am, exercise, cook breakfast, get here around 8am, work till i'm dead (~2-3pm) go tan or exercise or dick around online, then go home and nap for an hour or two, then wake up and internet or do chores, cook dinner, then do something productive in the evening, then pass out

evilevilcouch@gmail.com: i'm sorta useless in the afternoon

evilevilcouch@gmail.com: i don't get much done at all

evilevilcouch@gmail.com: btw, i only started waking up super early when i signed up for the 8am pilates/yoga class a year or so ago

evilevilcouch@gmail.com: also, random note --

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: like about the whole me being mad at you and you having no prob with me

evilevilcouch@gmail.com: that's also prob because i've bscly completely adjusted to your schedule

evilevilcouch@gmail.com: now, see, if you were at my place all that time and going with my schedule, you'd be cranky as fuck

me: or maybe it's because I'm easygoing

me: I was at your place today and yesterday while trying to get off suboxone and wasn't

evilevilcouch@gmail.com: i'm saying like

evilevilcouch@gmail.com: if the first two weeks

evilevilcouch@gmail.com: you were at my place every night

evilevilcouch@gmail.com: and i made you wake up at 7am to exercise

me: you did stay at my place more, actually

me: I understand

evilevilcouch@gmail.com: you'd throw a pillow at my face and tell me to fuck off so you could sleep

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: so, yeah

me: lol side note, Barry Eisler just stepped in to pwn Essig

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: k

evilevilcouch@gmail.com: i'ma pack up my stuffs and head over there

evilevilcouch@gmail.com: also, with my crankiness, like, i get sorta cranky at having to haul all my shit to duder's place all the time

evilevilcouch@gmail.com: granted, you hauled your shit to my place the past couple nights

evilevilcouch@gmail.com: but i'm just saying that like with glenn and clay i always "had" to bring my shit to their place

evilevilcouch@gmail.com: glenn never came to my place because he's socially retarded and doesn't like being around people he doesn't know (i.e. my roommates, any of my friends, etc)

evilevilcouch@gmail.com: with clay it was because, even though he did freelance, he had to work at his place because he has a desktop

evilevilcouch@gmail.com: he does film shit, so, yeah

evilevilcouch@gmail.com: that and he has a dog

evilevilcouch@gmail.com: and dogs poop outside

evilevilcouch@gmail.com: kitties poop in a box

me: okay, I understand you have residual frustration with past boyfriends

evilevilcouch@gmail.com: so that was fair, i felt

me: you've mentioned those a couple of times

evilevilcouch@gmail.com: well, i mean, in general i'm fine with it

evilevilcouch@gmail.com: i just get tired of it more easily now

evilevilcouch@gmail.com: so it isn't really just frustration

evilevilcouch@gmail.com: like, glenn would never help me carry my shit up three flights of stairs

evilevilcouch@gmail.com: you help me carry stuff

evilevilcouch@gmail.com: you're not a douchebag retard like glenn

evilevilcouch@gmail.com: haha

me: well, I mean then that you've used up your "I will take my stuff to my bf's place" points already

me: And I understand that

me: just realize that I didn't use up those points

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: i'm not saying i'm bitter about it

evilevilcouch@gmail.com: i'm just saying that it's a chore

me: You didn't use up your "I have lots of objections to your behavior" points, because those were other girls

evilevilcouch@gmail.com: and i have a lot of chores i'm behind on already

evilevilcouch@gmail.com: hahaha

me: Well, do what you have to do, sweetheart

evilevilcouch@gmail.com: it takes a lot of effort/energy to do that everyday

me: I'll carry your stuff up for you

me: Better yet, just look on the bright side of things

evilevilcouch@gmail.com: obviously i could just keep some shit over there

evilevilcouch@gmail.com: but, again, we've been dating for three weeks

evilevilcouch@gmail.com: so it's w/e

me: When you're complaining about having to carry things from your car to someone's apartment, you've got it pretty good at that point

evilevilcouch@gmail.com: again, i'm not cranky/frustrated about all that stuff rinnow

evilevilcouch@gmail.com: granted, at certain times, yes, i have been

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: but it's just cause i was getting sorta tired

evilevilcouch@gmail.com: not in the bitchy "i'm tired of this shit!"

evilevilcouch@gmail.com: but "aw, man, really? i gotta do that? damn. ugggggh fine"

evilevilcouch@gmail.com: like, having to pack up my crap daily and make sure i have all my shit takes up a lot of one's working memory

evilevilcouch@gmail.com: so i mainly got cranky because i had to spend a lot of energy focusing on that everyday

evilevilcouch@gmail.com: again, it wasn't anything personal, i was just getting exhausted from it

evilevilcouch@gmail.com: and i'm just more easily exhausted by it bc i'd do it a lot in the past

evilevilcouch@gmail.com: lol

me: Maybe what you need

me: Is a good kick in the ass

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: hey i'm not like

me: for perspective

evilevilcouch@gmail.com: complaining about it

me: like

evilevilcouch@gmail.com: right now

me: NOT RIGHT NOW LOL

evilevilcouch@gmail.com: i'm just trying to explain to you the processes in my head and

me: whatnot

me: good, I'm not kicking you in the ass right now

me: understood

evilevilcouch@gmail.com: bc bscly i just ran out of energy much more quickly

me: it is helpful for you to tell me these things

me: so I know when to dodge your punches

evilevilcouch@gmail.com: and the longer i stay away from the minoubear the more it subconsciously stresses me out

evilevilcouch@gmail.com: one night is fine

me: well, we really need to think about setting up a litter box over here and having Mino come with you

evilevilcouch@gmail.com: two nights is okay

evilevilcouch@gmail.com: but after the second night i start worrying about her

me: she can handle a little car trip every couple of days to be with you

evilevilcouch@gmail.com: dude man

evilevilcouch@gmail.com: carrying a cat

me: dude

me: dude

me: I know

me: I've had cats

evilevilcouch@gmail.com: that's a lot of effort

me: all my friends have cats

evilevilcouch@gmail.com: like

me: like

me: I know

evilevilcouch@gmail.com: i voiced this concern to glenn

evilevilcouch@gmail.com: like

me: I used to take my cat everywhere in college

evilevilcouch@gmail.com: minou got out of the house the day before my birthday

me: you're seeing a problem where none exists, I think

evilevilcouch@gmail.com: when i was at glenn's

evilevilcouch@gmail.com: and i was freaking out

me: I'll get you a carrier

evilevilcouch@gmail.com: she was gone for a day or two

evilevilcouch@gmail.com: oh i have one

me: you can put her in the carrier and bring her with you

me: leave it out so she can get used to it

evilevilcouch@gmail.com: so then glenn said to bring minou to his place

evilevilcouch@gmail.com: but like

evilevilcouch@gmail.com: glenn

evilevilcouch@gmail.com: would make me take all my shit with me when i left in the morning

13 of 19 **evilevilcouch@gmail.com:** and so i'd pack up the cat, her food, etc

evilevilcouch@gmail.com: then in the morning pack all that shit up again

evilevilcouch@gmail.com: it's really exhausting

evilevilcouch@gmail.com: i'm just saying that if we bring minou to your place

evilevilcouch@gmail.com: you'll help me with it

evilevilcouch@gmail.com: because

evilevilcouch@gmail.com: it takes a lot of energy

me: no shit I'll help

evilevilcouch@gmail.com: yay

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: man

evilevilcouch@gmail.com: like

me: again, I understand you have terrible memories of some douchebag making you bring a bunch of shit back and forth

me: you need to let go

evilevilcouch@gmail.com: it was so stupid how glenn was such a douchetard

evilevilcouch@gmail.com: hahaha

me: and just accept the fucking present

evilevilcouch@gmail.com: he'd make me carry all my shit myself

evilevilcouch@gmail.com: up three flights of stairs

evilevilcouch@gmail.com: even with the cat

me: I GOT ARRESTED ON ACID ON MY 18TH BIRTHDAY

evilevilcouch@gmail.com: i'm not bitter about it

me: I WALKED OVER CORPSES IN AFRICA

evilevilcouch@gmail.com: i'm just telling you

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: i'm over it

me: MY GIRLFRIEND DIED OF A FUCKING OVERDOSE

me: clearly

evilevilcouch@gmail.com: i'm just letting you know

evilevilcouch@gmail.com: telling anecdotes

me: just, let these things go

evilevilcouch@gmail.com: about my past

evilevilcouch@gmail.com: etc

evilevilcouch@gmail.com: you know

evilevilcouch@gmail.com: like

me: I understand

evilevilcouch@gmail.com: how people get to know each other

me: just approach me with a blank slate

evilevilcouch@gmail.com: lol

evilevilcouch@gmail.com: duh

evilevilcouch@gmail.com: i don't really have any ex bitterness

me: and understand that whatever inconveniences you suffered due to Glenn don't apply

here and are not relevant to our situation

evilevilcouch@gmail.com: the only thing, though, is my ptsd from my sister

me: you can tell me anecdotes and I want to hear them

me: I understand that

me: but I'm offering a solution regarding Minou

me: as you'll see if you look back

evilevilcouch@gmail.com: but also, though, the bit above where i talked about how to convince me to do things

evilevilcouch@gmail.com: and the bit about where if someone starts saying something like how my sister would

evilevilcouch@gmail.com: that wasn't me necessarily saying that that triggered the ptsd

me: yes, that is important, and I understand that

evilevilcouch@gmail.com: it mainly makes me rolls my eyes

evilevilcouch@gmail.com: haha

evilevilcouch@gmail.com: i just have zero respect for her

evilevilcouch@gmail.com: she has the emotional maturity of a six year old

me: but whether or not some guy made you carry your shit is not important when we're trying to best figure out how to keep your cat with you

me: so, what do you think about bringing her in the carrier sometimes?

me: THat will help to alleviate stress

me: and also I like the cat

evilevilcouch@gmail.com: so me mentioning my sister, in that respect, was basically me mentioning that the rhetorical devices that my sister employs are amongst those that don't work with me

me: right

me: and I certainly hope that I am not using that

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: prob not

evilevilcouch@gmail.com: i dunno, don't care rinnow

evilevilcouch@gmail.com: haha

me: since you brought it up, I guess I did something like that

me: i you tell me I can try not to in the future

evilevilcouch@gmail.com: i think you said like once "i'm right. you're wrong."

evilevilcouch@gmail.com: and that made me roll my eyes

evilevilcouch@gmail.com: and i was basically done then

me: I'm pretty sure I didn't say those exact words

evilevilcouch@gmail.com: hahahaha

evilevilcouch@gmail.com: it was when you were smashed at quarter

evilevilcouch@gmail.com: and i was in pain

evilevilcouch@gmail.com: but eh w/e

me: the implication of any disagreement is that one person is right and the other is wrong

evilevilcouch@gmail.com: uh

me: yes, I'm familiar with pain

evilevilcouch@gmail.com: i don't believe in that sorta ideology

me: that's what a disagreement is

evilevilcouch@gmail.com: um

me: it's not an ideology

evilevilcouch@gmail.com: well

evilevilcouch@gmail.com: not necessarily

me: if you tell me that I'm doing something wrong, and I disagree

evilevilcouch@gmail.com: there is not necessarily a "right" and "wrong" when talking about perspectives

me: aren't you saying that I am wrong and you are right?

evilevilcouch@gmail.com: well

evilevilcouch@gmail.com: uh

evilevilcouch@gmail.com: if it's relative

evilevilcouch@gmail.com: then how can there be a right/wrong?

me: or if we have different opinions about how we're relating

evilevilcouch@gmail.com: i'm saying like

evilevilcouch@gmail.com: facts can be argued

me: let me put it like this

evilevilcouch@gmail.com: but if we're talking about a human relationship

evilevilcouch@gmail.com: and their emotions

evilevilcouch@gmail.com: and their behaviors/interactions and such

evilevilcouch@gmail.com: it isn't so black and white

me: Yes, sweetheart, but they remain facts, even - especially - in a human relationship

evilevilcouch@gmail.com: uh

me: obviously feelings differ

me: sweetheart

me: I know what you're saying

evilevilcouch@gmail.com: okay

me: human relationships, feelings, etc

me: I know these things

me: but when we discuss these things

me: we are both using words

evilevilcouch@gmail.com: so why are you arguing a right/wrong thing

me: to describe certain things

me: Am I arguing that?

evilevilcouch@gmail.com: i don't think there is any sort of right/wrong with perception

evilevilcouch@gmail.com: perception is perception

me: well, one perceives what one perceives, but we were not arguing over perception, per se

evilevilcouch@gmail.com: it was about boundaries, i think

me: oh, yes

16 of 19 **evilevilcouch@gmail.com:** and you said something about being right, and then made a
9/31/26, 8:19 AM

statement that i was wrong

me: boundaries are one of those things in which people have varying opinions

me: My opinion, for instance

evilevilcouch@gmail.com: but, also, i was only frustrated with you doing whatever because you were super drunk and i was sober

evilevilcouch@gmail.com: and i didn't realize how drunk you were

evilevilcouch@gmail.com: uh

evilevilcouch@gmail.com: everyone has different boundaries

evilevilcouch@gmail.com: "healthy" boundaries is relatively relative

me: exactl

evilevilcouch@gmail.com: but

evilevilcouch@gmail.com: with like

me: and I tend to associate with people who are informal because they are my friends

me: if you were some guy

me: I wouldn't grab a cigarette out of your purse

me: I would stop and say hello

evilevilcouch@gmail.com: yeah i know

me: introduce myself

evilevilcouch@gmail.com: also

me: and then ask you for one

evilevilcouch@gmail.com: like

evilevilcouch@gmail.com: you were super drunk

me: yes

evilevilcouch@gmail.com: alcohol removes inhibitons

me: I was

me: but I would have done similar sober

evilevilcouch@gmail.com: so bscly i was annoyed at you being so ridiculously drunk

evilevilcouch@gmail.com: well

evilevilcouch@gmail.com: sorta

evilevilcouch@gmail.com: sorta not

evilevilcouch@gmail.com: i just wasn't in the mood

me: If I had known that this was going to be an issue, I would not have

evilevilcouch@gmail.com: and you were super sloshed

evilevilcouch@gmail.com: i think that's really it

me: yes, you mentioned that

me: I would have just asked someone else for a cigarette

evilevilcouch@gmail.com: also, i understand your point about feeling comfortable, etc

evilevilcouch@gmail.com: but i think i'd barely been home for the previous week

me: I assumed that we had a level of familiarity whereby I could grab a cigarette out of your pack without going through a process first, and I was wrong

evilevilcouch@gmail.com: and had barely seen my cat for the past week, except that

evilevilcouch@gmail.com: i was just cranky/on edge

me: then you need to bring your cat with you, like I said

evilevilcouch@gmail.com: yeah

me: and you need to do that, without discussing what prior issues involving old boyfriends may have prevented you from doing so in the past

evilevilcouch@gmail.com: i mean, i don't care really if you just grab a cigarette from my purse or whatever

me: do you see what I'm saying?

evilevilcouch@gmail.com: yeah

evilevilcouch@gmail.com: but

evilevilcouch@gmail.com: i don't think the ex's are an issue in any manner

evilevilcouch@gmail.com: i'm just saying that i hadn't had much alone time and haven't been on my schedule for like three weeks and had barely seen my cat

evilevilcouch@gmail.com: and so i was irritable

evilevilcouch@gmail.com: and cranky

evilevilcouch@gmail.com: not saying you basically did anything wrong

evilevilcouch@gmail.com: you were justifying it however you wanted

evilevilcouch@gmail.com: regardless of that

evilevilcouch@gmail.com: i wasn't in the mood

evilevilcouch@gmail.com: and wanted to leave

evilevilcouch@gmail.com: usually, if i'm cranky, i hang out by myself with the minoubear

evilevilcouch@gmail.com: and don't hang out with peoples

me: I understand

me: but sometimes

evilevilcouch@gmail.com: i think i was basically just getting annoyed by everything

me: we're going to be together and you're going to get cranky

evilevilcouch@gmail.com: i like my space

evilevilcouch@gmail.com: we've been together 24/7

evilevilcouch@gmail.com: like

evilevilcouch@gmail.com: we prob won't be around each other 24/7

me: in which case I hope you'll try to remember that I love you and have done nothing to hurt you

evilevilcouch@gmail.com: i know

me: and that it hurts me when you take that out on me for some small thing

evilevilcouch@gmail.com: but also usually i just tell my friends when i need space and will leave and stuffs

evilevilcouch@gmail.com: but see

evilevilcouch@gmail.com: you're different

me: I'll just leave it there

evilevilcouch@gmail.com: in that

evilevilcouch@gmail.com: i dunno

me: Because that's what I want you to take away from this

evilevilcouch@gmail.com: i'm in love with you and love being around you

evilevilcouch@gmail.com: but i really do need more nikki time

me: That's fine, I haven't made you not have Nikki time

evilevilcouch@gmail.com: i has soz boobear :(

evilevilcouch@gmail.com: i know, and you haven't forced me to stay at your place

evilevilcouch@gmail.com: we've been in the throes

evilevilcouch@gmail.com: haha

me: did you see the rest of the gmail thread?

me: with Essig?

evilevilcouch@gmail.com: oh not yet

me: the one I forwarded

evilevilcouch@gmail.com: i'll read it when i'm there

evilevilcouch@gmail.com: k i should leave nows

evilevilcouch@gmail.com: be there in 10ish?

me: very well I can narrate!

me: okay

evilevilcouch@gmail.com: lolol

evilevilcouch@gmail.com: <3 :D

me: lollllolol
